

Going, going, gone!!

The athletes, referees, and team officials have left, the hall is empty, the last strains of the last anthem drift across the universe. It's time for

A huge congratulations to all the team at cfc10!!!!

It was years in the planning. Budgets, floor-plans and designs, volunteer applications the Great Logo Competition.

It arrived - great sport, rosters, new skills, long days, hurried meals, washing the "t" shirt, making new friends etc. etc.

We strived for an "Athletes Event" and we delivered. They are the reason, they are the focus of our plans.

In the end it all comes down to just a few dozen dedicated people over a few days of event and it just cannot be done without YOU!

So thanks and congratulations YOU!

We were humbled with praise and congratulations for your work in bringing a truly special event to Melbourne and Australia in a way that simply confirmed how friendly and effective we are in conducting these events.

A typical international response:

"Hi to all the CFC team

An outstanding event – congratulations and many thanks for the huge effort that went in to make the 2010 CFC an outstanding success! From my perspective, combining the Seniors and Veterans was a great success – great for the event, and a boost for the individuals and team spirit etc.

Well done!

*Kind regards
....."*

So team, relax and enjoy, bathe in the praise and glory.

Oh, and be on standby for the next great opportunity

CONGRATULATIONS ALL!
